Substance number: 26701STONE

Version: 1 / GB Replaces Version: - / GB Date revised: 04.07.2023 Print date: 04.07.2023

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

StoneBite Comp. A

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

#### Use of the substance/preparation

Bite registration material based on vinyl polysiloxane

## 1.3. Details of the supplier of the safety data sheet

### Address/Manufacturer

Dreve Dentamid GmbH Max-Planck-Straße 31 59423 Unna Telephone no. +49 2303 8807-0 Fax no. +49 2303 8807-29 Information provided Department Research & Development: Fax: +49 2303 8807-562 by / telephone E-mail address of sicherheitsdatenblatt@dreve.com person responsible for this SDS

## 1.4. Emergency telephone number

Henkel Fire Department / 24h-Emergency-Contact-No.: +49 211 797-3350

## **SECTION 2: Hazards identification**

### 2.1. Classification of the substance or mixture

This product is not classified hazardous in accordance with Regulation (EC) No 1272/2008.

## 2.2. Label elements

## Labelling according to regulation (EC) No 1272/2008

#### Supplemental information

EUH210 Safety data sheet available on request.

#### 2.3. Other hazards

No special hazards have to be mentioned.

The product contains no PBT substances. The product contains no vPvB substances. This product does not contain a substance that has endocrine disrupting properties with respect to human. The product does not contain a substance that has endocrine disrupting properties with respect to non-target organisms.

# **SECTION 3: Composition/information on ingredients**

3.2. Mixtures

Safety data sheet in accordance with re	gulation (EC) No 1907/2006	Dreve
Trade name: StoneBite Comp. A

5.2. Special hazards arising from	the substance or mixture	

## 5.2. Special hazards arising from the substance or mixture

In case of combustion evolution of dangerous gases possible.

Substance number: 26701STONE

Version: 1 / GB Replaces Version: - / GB

Date revised: 04.07.2023 Print date: 04.07.2023

## 5.3. Advice for firefighters

### Special protective equipment for fire-fighting

In case of combustion use a suitable breathing apparatus.

### Other information

Fire residues and contaminated fire-fighting water must be disposed of in accordance with the local regulations.

# **SECTION 6: Accidental release measures**

#### 6.1. Personal precautions, protective equipment and emergency procedures Avoid contact with skin, eyes and clothing.

## 6.2. Environmental precautions

Do not allow to enter drains or waterways.

**6.3. Methods and material for containment and cleaning up** Pick up mechanically. Clean contaminated floors and objects thoroughly, observing environmental regulations.

### 6.4. Reference to other sections

Refer to protective measures listed in Sections 7 and 8.

# **SECTION 7: Handling and storage**

## 7.1. Precautions for safe handling

#### Advice on safe handling

Observe the usual precautions for handling chemicals. For personal protection see Section 8.

## Advice on protection against fire and explosion

No special measures required.

## 7.2. Conditions for safe storage, including any incompatibilities

## Requirements for storage rooms and vessels

Store product in closed containers.

#### Hints on storage assembly

Do not store together with foodstuffs.

## Further information on storage conditions

Keep container tightly closed and dry.

# **SECTION 8: Exposure controls/personal protection**

## 8.1. Control parameters

## Other information

Contains no substances with occupational exposure limit values.

#### 8.2. Exposure controls

#### General protective and hygiene measures

Substance number: 26701STONE

Version: 1 / GB Replaces Version: - / GB Date revised: 04.07.2023 Print date: 04.07.2023

Observe the usual precautions for handling chemicals. Do not eat, drink or smoke during work time. Wash hands before breaks and after work. Avoid contact with eyes.

#### **Respiratory protection**

Not necessary.

#### Hand protection

Not necessary.

Eye protection

Not necessary.

#### **Body protection**

Clothing as usual in the chemical industry.

## 5.3. Advice for firefighters

### Special protective equipment for fire-fighting

In case of combustion use a suitable breathing apparatus.

### Other information

Fire residues and contaminated fire-fighting water must be disposed of in accordance with the local regulations.

# **SECTION 6: Accidental release measures**

#### 6.1. Personal precautions, protective equipment and emergency procedures Avoid contact with skin, eyes and clothing.

## 6.2. Environmental precautions

Do not allow to enter drains or waterways.

**6.3. Methods and material for containment and cleaning up** Pick up mechanically. Clean contaminated floors and objects thoroughly, observing environmental regulations.

## 6.4. Reference to other sections

Refer to protective measures listed in Sections 7 and 8.

# **SECTION 7: Handling and storage**

## 7.1. Precautions for safe handling

## Advice on safe handling

Observe the usual precautions for handling chemicals. For personal protection see Section 8.

## Advice on protection against fire and explosion

No special measures required.

## 7.2. Conditions for safe storage, including any incompatibilities

## Requirements for storage rooms and vessels

Store product in closed containers.

#### Hints on storage assembly

Do not store together with foodstuffs.

## Further information on storage conditions

Keep container tightly closed and dry.

# **SECTION 8: Exposure controls/personal protection**

## 8.1. Control parameters

## Other information

Contains no substances with occupational exposure limit values.
